PRIDE MONTH

NACRAO DEI Committee

The Stonewall Riots started it all.

Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Pride Month is currently celebrated each year in the month of June to honor the 1969 Stonewall Uprising in Manhattan.

Marsha P. Johnson

Marsha P. Johnson was an activist, self-identified drag queen, performer, and survivor. She was a prominent figure in the Stonewall uprising. Her forthright nature and enduring strength led her to speak out against injustices. June 28, 1969, at the Stonewall Inn on Christopher Street, things turned violent after members of the LGBTQ community were harassed by the NYPD sixth precinct. Many eyewitnesses have identified Marsha as one of the main instigators of the uprising and thus, some have recognized her as the vanguard of the gay liberation movement in the United States.

LGTBQIA+ issues in higher education

- What LGTBQIA+ services does your campus provide?
- Are your staff members trained to create a safe space for students?
- Do your admissions documents use inclusive language? i.e. asking for chosen name and pronouns

There are lots of ways to learn more about LGTBQIA+ issues and stories

Pride is just one of them! You can continue championing LGTBQIA+ rights during LGBT History Month, International

Transgender Day of Visibility,
National Coming Out Day,
and beyond!

EPPs Are Coming...

Every year, thousands of Nebraska juniors, seniors, and their parents attend the college fairs brought to you by EducationQuest and NACRAO to find colleges that meet their needs. By attending EPPs (Educational Planning Programs), students have the opportunity to visit with college representatives from across the state and nation. EPPs are typically held during the month of September and beginning of October.

Attendance in the NACRAO EPPs are included in the membership fees. Make sure to renew your membership today to have access to the NACRAO EPP Registration. Registration for 2022 is open and more information will be sent out on the NACRAO list serv.

Due to decreasing participation levels by students and colleges, EducationQuest Foundation has made the decision not to host virtual college fairs in 2022-2023. We will promote the college fairs (Educational Planning Programs) to Nebraska students, encouraging them to register for a barcode and to attend a fair in their area.
